

1. Regulations Governing Registration

- i) A student may not be registered for two or more programmes simultaneously, whether at UWI or at any other institution, unless the Board for Undergraduate Studies or the Board for Graduate Studies and Research as appropriate in any particular case otherwise decides.
- j) A student awaiting the final results of a programme in which he or she is registered may be granted permission by the Board for Undergraduate Studies or the Board for Graduate Studies and Research as appropriate to register provisionally in another programme pending the outstanding results. If the result is unfavourable, the student will be required to withdraw from the programme in which he or she is provisionally registered, or from the original programme if it is not a prerequisite for the second programme.

Full-time and Part-time Registration

All students including those admitted to programmes offered by the Distance Mode are initially registered as full-time or part-time students but may change their registration.

Full-time students may take employment for not more than twelve hours per week without losing their full-time status. Teaching and Research Assistants shall be registered as full-time students.

A candidate who is employed for more than twelve hours per week shall be registered as a part-time student.

A student is deemed to have registered for a course when his/her financial obligations to the University have been fulfilled.

Registration for a course constitutes registration for the examinations in that course.
